His love endures forever. Prayer Loving Father, You have been with your people since the beginning. Your loving care has protected us, fed us, and sheltered us. We give you thanks for creation, for the wonderful things you have done in the past and for being with us today. Your love is forever. Psalm Devotional 1: His Love Endures Forever Psalm was probably set up so that a leader would read a sentence and a group of people would respond. Maybe you do that in church sometimes. This psalm was written at a time when there were no. The words that all the people said together had to be important words that that they could learn quickly. In Psalm all the people say just one sentence, and it is a very important sentence: In this psalm we are reminded over and over again of what is important: It will never end. The people of Israel seemed to forget about God sometimes. They disobeyed God and worshiped gods from other countries. They followed people who sometimes led them away from God. One of the great things about that phrase is that people all over the world say it when they read this psalm. The people of Israel, even the ones who lived before Jesus was born, said these words together. People in Europe in the Middle Ages said them, and scientists and explorers said them. When we say them we are joining with people all over the world who, for generations, have stood together and heard Psalm and proclaimed: By joining together as a group and responding together with the same words, we remember that we are one people—the people of God. Think about missionaries, people in other countries, or people in your community as well as places where you have visited. Remember these brothers and sisters in Christ in your prayers as you pray for the church that is much bigger than just here and now. Psalm Devotional 2: You might think, then, this is psalm is all about love. As you read or listen to the reading, think about what we can be thankful for. Did you notice all the thanksgiving that goes on in these verses? Actually, what we have always comes from God. Even when someone does something for us, God gave that person the ability and the resources to do it. God gave that person strength for the day so that he or she could do something good. Here are some ways that we can thank God: So what can you thank God for today? Leave the paper out on your kitchen table for one day. As you go through the day, stop and draw or write what you are thankful for. Later, talk together about what you wrote. Psalm Devotional 3: Maybe it was a day at the beach or a special family vacation or even just a time when the whole family was together. When we talk about these times together, we each add our memories to the conversation. For the Israelite people, Psalm was like one of those conversations. See the list of things the psalm writer is remembering? Remember when God spread out the water and the land? That was awesome too. God has done some big things for us too. We were also in slavery. Not literal slavery like the Israelites were, but we are helpless to do anything about sin. So, like the Israelites, we cry to God for help, and God comes to our rescue just like he did for the Israelites. God rescued us from our sin by sending his Son, Jesus, to die on a cross for us and to rise again. How do we know God is going to continue to rescue us? Remember the time when he created the world? Remember the time when he rescued his people from Egypt? What are some of the things you like to remember? Have you done things with your family or friends that you like to talk about? Spend a few moments talking about these things and then read the first three verses of Psalm again. Psalm Devotional 4: But in the last section of the psalm we find two names that are probably not very familiar: Sihon and Og show up briefly in Numbers 21 in a story that takes place while the Israelites are wandering in the desert after they had been freed from the Egyptians and before they settled in the Promised Land. Instead, he gathered his entire army and met them for battle. God gave Israel a great victory over the Amorites and Sihon that day. After this, another king—the king of Bashan, whose name was Og—also came out and met Israel for battle. Once again, the Lord gave Israel the victory. These two kings, Sihon and Og, serve as examples of powerful men who thought they could stop the God of the Israelites. These kings thought they could stand in the way of God fulfilling his promise to his people. They were wrong, of course. God, whose love endures forever, who created everything, and who rescued his people from slavery in Egypt, triumphed over these powerful kings! The people of Israel are not

the only people who need to remember that God fulfills his promises. We sometimes doubt that God can actually work through some of our problems. He did it when he defeated Pharaoh, he did it when he defeated Sihon and Og, and he does it today. Our God loves usâ€”his love endures forever. He will take care of us, just as he took care of his people all those years ago. God keeps his promises. He kept his promise to Noah, Abraham, and the people of Israel. What things has God promised you? Our worship services are often a retelling of these stories and a renewal of the covenant of grace. In some ways, Psalm is like a little worship service. It reminds us what God did in creation verses and moves on to how God saved the Israelites from slavery in Egypt verses and led Israel to conquer Canaan verses He is not just the God who has done these things for people many years ago. He is the God who also does them for us.
