## Chapter 1 : Job Announcement: DIRECTOR, CAPITAL GRANTS & LOANS - State of Maryland

*A Bill to Move the Office of the Commissioner of Loans, for the State of Maryland, to Baltimore.. [United States. oclc/> # A Bill to Move the Office of.*

This position is responsible for determining whether the information and terms in the bond bills are accurate and whether a designated grantee or project qualifies to receive funding. This position is responsible for coordinating and monitoring the technical, fiscal, legal, and administrative requirements for capital bond bills, grants, and projects, requiring a sound understanding of capital projects, contract law, and the legislative process, and strong analytical and problem-solving skills. This position drafts policy for BPW Executive Secretary approval and establishes procedures to facilitate the grant process and manage bond bill funds. This position consults with legislators and testifies before legislative committees regarding the applicability and impact of proposed legislation on the Capital Grants and Loan bond bills. This position is essential to the BPW for meeting its oversight responsibility for the Capital Grants and Loans program as identified in the capital budget. Monitor proposed legislation for possible impact and provide comments or recommendations as appropriate. Work collaboratively to ensure new bond bills are accurate. Oversee responses to inquiries or requests for assistance provided to grantees, their legislative sponsors, or other government partners. Develop, cultivate, and maintain partnerships with government and private partners. Excellent research, writing, organizational, public speaking, and presentation skills. Strong interpersonal and communication skills. Ability to take initiative and possess a drive for delivering outstanding results. Strong problem solving skills. Previous supervisory experience over administrative professionals. Familiarity with managing capital improvement projects. Proficiency in database management. Basic knowledge of State procurement regulations. Information submitted after the closing date will not be considered. The examination will consist of a rating of your education, training and experience related to the requirements of the position. Successful candidates will be placed on the employment eligibility list, which will be valid for one year. The list will be used by the hiring agency to select employees. Credit is given for relevant part-time, temporary or volunteer experience based on the number of hours worked per week. You must include on your application the time spent on such activity. You must be legally authorized under the United States Immigration Reform and Control Act to be hired in the position for which you apply. If you are unable to submit your application online, please send your paper application to: We thank our Veterans for their service to our country, and encourage them to apply. Bilingual applicants are also encouraged to apply.
