Chapter 2 : General Aptitude Questions With Answers in pdf

Aptitude questions and answers practice test for all exams and entrance test, engineering students, MCA, MBA, fresher, IT jobs etc.

The company was founded and headed by Sridhar Vembu. In the beginning, the company was named as AdventNet Inc. The company is headquartered in Pleasanton, California, USA with offices situated globally in major countries. The software development, sales and support operations are carried out from their Chennai office. Sample Aptitude Questions 1. Also, most of the times it comes for both internship and full-time placement, so make sure you grab the opportunity with both hands. Procedure for Zoho campus placement Zoho recruitment process has totally 4 rounds - 2 written rounds and 2 face to face interviews at the company. They will start by giving a presentation about their company for about 20 minutes and then stress you to ask some questions from them. Be active enough during this period and if possible ask a question or two in order to leave a good impression on the HR Manager and other people from the company. One of the written rounds is aptitude plus technical whereas the second is purely technical. The first written round is divided into 2 parts " the first part has 25 aptitude questions. The time allotted for the same is 1. Also, these questions can be easily solved if you know the basics of common aptitude questions asked from time to time. Next, you will be provided with the question paper of the next part as soon as the time for first round ends. The time duration allotted for this part is 1 hour and all questions are generally objective type except one or two where you have to write direct answers or outputs. Here also ample time is given for mere 10 questions of objective type. Zoho is one of the few companies that give so much time for comparatively fewer questions that are not very tough to solve. After an hour the results of the first round are declared and after another hour, the students are told to assemble again for the second written round which is of 75 minutes. The difficulty is medium but you have to be good at the basics to think through the logic within time. The examiners check the logic of your solution more than the syntax but all the same you should have good knowledge of the syntax also. When such questions come where you have to write codes, be sure to write legibly with proper comments since the person checking your paper needs to know what actually you are trying to do or what logic you have applied. Finally, Zoho offers 2 salary packages, i. Though the process may seem tiring, Zoho has its own positives as it is a very good place for a fresher to work at and also a great place for anyone to begin their careers.

Infosys Quants Papers with Answers based FAQ's. Ques. Wondering for Infosys Aptitude Question paper what is the level of difficulty for Infosys Aptitude Test? Ans. Infosys Aptitude Question paper is of high difficulty level the cut off is also very high thus it is suggested to study well for this section.

The second section was smooth as I prepared and practiced well for the reasoning questions. But, the third round was a little tricky since I was not well off with the grammatical concepts. I appeared for all the questions as there was no negative marking. I was doubtful of being able to clear the round with good score but, the result was something else. I cleared the round with considerable marks. HR Interview This interview was conducted the next day of the online test. The interviewer appeared strict at the first glance. After greeting, he immediately jumped to the technical questions. There were three technical questions on his list, but I could remember only two of them: What are the basics of OOP? I answered all of them appropriately. But, my heart was pounding due to the anxiety I faced recently. To make me feel comfortable, he passed on some water and snacks lying beside. The round did not end up here. There was another set of questions coming my way. He also put up questions such as, How was your day so far? What do you think about our work at Infosys? What kind of a person are you? What would your friend tell about you? My sound knowledge about the company and good communication ability helped me a lot here. It was after a week that I received the selection email. In a nutshell, be confident and honest but never express your future aims for higher education and business ideas in the interview.
