Then how could the good old books be left behind? Though every book-lover would agree that nothing comes close to print books, e-books are actually quite convenient. The biggest drawback of print books is that they take up a lot of space. That said, some books can be very hard to find online for free. The ones that are available for purchase on sites such as Amazon. So where do you get them from? Well, Torrent sites have long been serving as free sources for accessing a wide assortment of content such as movies, TV shows, games, software, music, and of course, e-Books. However, not all torrent websites are great for downloading e-Books. After Kickass went down, ExtraTorrent soon followed suit. Much like the first two sites, ExtraTorrent too has a great e-book collection, but mostly fiction. Aside from e-books, these kind of torrent sites also give users access to other type of media such a movies and TV shows. Note that domain of ExtraTorrent gets changed regularly. You can check ExtraTorrent Proxy sites in this article. In spite of being closed down multiple times, the site still continues to operate in full swing. Note that in some regions TPB has been blocked so you can use a proxy site to get access to the content. You can look for The Pirate Bay proxy sites on this webpage. Unfortunately, the original Kickass Torrent site does not exist any longer but you can log onto its mirror site "katcr. The site works the same way as TPB and is quite easy to use. Currently, it boasts of over 1,75, e-books that can be downloaded for free. If their main site is not working, then you can try Kickass proxy sites.
