Her communication throughout the event was excellent. The food, from the appetizers to the dessert was plated neatly and tasted great. Everything was cooked perfectly. The venue was clean, and updated, with a beautiful view of the golf course. Many of our guest called the next day to tell us how wonderful everything was! Briar Ridge Country Club was definitely the perfect venue for our event. We are so thankful to everyone involved that made our event so special for our family and friends" - Wedding: Our wedding at Briar Ridge was absolutely beautiful. We asked for a few things that were not conventional, Jody our coordinator bent over backwards to make sure everything we wanted we got and turned out just as we dreamed. They were so flexible with whatever I wanted to have included and were there for me every step of the way. They really listened and followed my plans out to a T. I would recommend them to any bride.
