

Chapter 1 : horror illustration | Bizarro Central | Page 2

Alan Marshall Clark is an author and an artist who is best known as the illustrator and book cover painter of many pieces of horror fiction. He was nominated for the Bram Stoker Award for Best First Novel for his book Siren Promised (co-written by Jeremy Robert Johnson).

First, read Part I: Next, go through this list with each book that seems promising. Scott, Tender is the Night, New York: Dust jackets, dust jackets, and more dust jackets! If there is one single thing that is a make or break for book value, it would be the dust jacket. The value of a first edition copy of F. Without a dust jacket! If you have one on a good book, treasure it and be sure to protect it with a plastic sleeve. A book is more likely to appeal to collectors, and therefore be worth more, if you have actually heard of the book or its author. Additionally, some books by famous authors are better than others. Where was it published? The location of publication is an often overlooked but important detail in a list of information about a collection of books. Many titles were published virtually simultaneously in two places, for example, London, and New York. Location is very important. To err is Human. And it will make your book more valuable! Thrifty printers will not throw out a batch of sheets simply because there was a mistake on the page. They will correct it and move on. Leave no page behind! Completeness in a book is critical. Even simple pages that have no printing on them, called blanks, are critical to the value of the book. Make certain that there are no loose pages or gatherings of leaves that have come out or are in danger of falling out. Please return to! Look for ownership inscriptions on books. With luck, they will not be on the title-page, as this diminishes value; they should ideally be located on blank pages before the title page. An owner inscription or signature from a member of your own family is always interesting to find, and if he or she was a well-known person, could add to value. An author signature by a significant and recognized writer can mean an increase in value of ten times or more the ordinary value of the book in most cases. For example, as stated above, an unsigned copy of F. Skinner sold a copy that was signed and presented to the famous poet Archibald MacLeish. A beautifully leather bound book or one with a pictorial gold leaf cover can form the basis for a really eye-catching shelf; these antique books are usually quite collectible. Did you find something intriguing on your shelves? Thank you for your interest in Skinner. This post was originally published in September and has been completely revamped and updated for accuracy and comprehensiveness.
