

Chapter 1 : Captivated by You (Crossfire #4) read online free by Sylvia Day

The Crossfire series follows the emotional and romantic journey taken by Gideon Cross and Eva Tramell. Bared to You (Crossfire, #1), Reflected in You (Cr.

Add to Goodreads Now the 1 international bestselling author returns. The new Crossfire novel by Sylvia Day. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. We faced a terrible choice: My overall thoughts of this book: However, when I found out that we were going to get dual POV in this book, I felt like maybe, just maybe, it would make things better. You heard me, absolute nonsense. Quite frankly, I was bored out of my mind with this book. In my opinion, this story lacked substance. I mean, lemme break it down: How many times can Eva run from Gideon whenever she wants to throw a tantrum? We know that Gideon is a sexual being. But I have one question for you: Someone get her a bandaid for dat vagâ€¦ I mean, I get it. Sex sex sex sex sex sex and more sex is what sells nowadays. Guess that means I should get a BJ while I take this conference call. Too much sex, not enough plot. And some of the sexâ€¦was a littleâ€¦raunchyâ€¦dare I say, even bizarre? I was one page away from blowing my rape whistle, and bust out with my chastity chant. Ok, I got that off my chest, now, onto my next issueâ€¦ 3. We are in book 4. I thought Gideon showed that tramp the door 2 books ago? Which then leads me to my next issue: How much drama is too much drama? Look, I get that drama is necessary when writing a story, as there needs to be some conflict that is overcomeâ€” but why do we need to keep rehashing the same drama that I thought was dead and buried in books past? There is no trust. Gideon is Gideon, meaning: Do these things sound familiar? Now I just want to explain my 2. This is a prime example of a storyline that has run its course. It was good while it lasted. And to my beloved Gideon Cross: My loss is your gain! Different strokes for different folks, and all that jazz. Now, wanna to win a paperback copy? Of course you do!

Chapter 2 : Crossfire Series by Sylvia Day

Sylvia Day is the #1 New York Times bestselling and #1 international bestselling author of the Crossfire® series and dozens of other novels, novellas, and short format stories. She has been published in over 40 countries, and has tens of millions of copies of her books in print.

Bared to You He was beautiful and brilliant, jagged and white-hot. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily Gideon knew. He had demons of his own. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. He was my addiction my every desire mine. My past was as violent as his, and I was just as broken. It was too hard, too painful except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. I also saw the dangerous and damaged soul inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. Entwined by our secrets, we tried to defy the odds. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. We faced a terrible choice:

Chapter 3 : Bared to You - Wikipedia

Day's Crossfire series has 13 million English-language copies in print and international rights licensed in over 40 territories as of January

She has never known any occupation better other than writing. As an accomplished author, Sylvia Day writes books with distinct uniqueness and a class of its own. Day is not just a single purpose driven writer, but one who has extensively written different books under different genres, which include but limited to Fiction, Romance, Paranormal, eroticism, short stories, Historical literature and Fantasy. These dynamic writing has earned her a New York Times bestselling author titles. The style and literal structure of her writing seem to make her readers glued to her books with suspense. Such high writing style has seen her become an international and most frequent travelled author in the America. The love and her passion to write on different genres have left many readers admiring her writing witty and charm. She has written and sold uncountable copies of books both in print and hard copy form. The drive and tenacity to move the world of romance and love has made it possible to reach almost all readers of the world, as her books have been translated into different languages. Sylvia Day has written different high selling books that have made her a giant author in the field of writing. These two books fall in the genre of romance. Once a reader settles down to read this books, their stories become interesting to a degree of creating more appetite to go on. It is the suspense that makes one glued to find out what each chapter of these books contains. After graduating from college Eva moves on to New York to start her first Job as assistant to an agency firm operating in the heart of New York City. Filled with expectations and fire to settle down in her new position, Eva decides to pay a visit to her place of work so as familiarize herself with the place. As she walks along the path, Eva meets a woman who has dropped her change and decides to extend her hand in aid. Just before she bends down to pick the change, a handsome man swiftly picks up the change leaving her in a surprise. The man turns to be Gideon Cross who is not only well built, sexy but also a middle aged man with generous wealth in New York. The two central characters in this book have different childhood upbringing and this plays a big role in bargain for their relationship. The setting of New York makes the story even more romantic and captivating to an extent that a reader would be entertained in all dimensions. Sylvia Day presented the story of Bared to you in a first person narrative form. The story of reflected in You starts after Bared to you ends and is a continuation of the first story. In this new work, Day chooses to focus on the ills and weakness of love without forgetting on the beauty part of it. She describes Gideon as a cunning character, who is not open with his stand despite having created strong bonds with his love Eva. Gideon makes Eva to question his committed in their quest to greater glories of love. Surrounded by both work and love, the two characters set the tone and mood of the story line in reflected in you. Though Gideon is seemingly unreliable man, his lover Eva chooses to believe in him. Sylvia portrays him as a man without firm stand in his personal feelings despite having shown high sense of maturity. The story is filled with confusion on the part of characters though readers have something to charm their brains. As a high end book, Sylvia makes sure that readers are left gasping for more oxygen due to increased heartbeats. The book is also written in the first persona narrative form and is filled with unending suspense. The author of these two books combines different artistic styles and devices to make her stories even charming. The witty of her characters and the setting of her stories make it clearly known that she is a rare writer in our time. Day is a gifted author who has risen to become a darling to many readers of erotic romance, contemporary literature and science fiction. What then makes her writing so unique? The answer to this question remains debatable. Day successfully combines the past, present and future into one story of trauma and love. The two focal characters, Gideon and Eva seem to be haunted by their past traumas. Eva is a young girl who has endured the pains of rape in her life. As a surviving rape victim, she manages to find yet another hot sex life with Gideon, who also bears scars in his heart. One would expect these two characters to shun ways of love due to their past experience yet they choose to walk that dangerous part. It is because the author chooses to help them achieve their dreams. This is what makes Sylvia Day a unique writer that the world has ever known In order to cement her place in entertainment, Sylvia Day has set yet another spectacular move by

crafting her stories into TV series and movies. Under her Crossfire series she has successfully partnered with Lions Gate entertainment to produce live love and romantic scenes to her fans. This is a great move in her career and it could make her a top notch in writing and film industry. Sylvia Day remains to be one of the most sensational writer on New York Times and world at large. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there? Chapter 4 : Sylvia Day Crossfire Novels by Sylvia Day | racedaydvl.com

The whole book series span about in a timeline of 3 - 4 months. And so many things happens in those months which is just absurd. I mean if this was a trilogy at max, yeah I probably would have been considerate.

Submitted by Joan C. California is known for giving the world an exotic blend of people from a broad range of backgrounds. Go to any city in that State you will find a Japan, China, or Korea town where Eastern cultures mix with the Western lifestyle and produces some very creative and out of the box thinkers in the process. Sylvia Day is a product of that society. Add to that the love of travel and you get the perfect mix of culture, experience, and knowledge to create the ideal environment for many engaging and captivating story lines. Raised in California, Sylvia developed her love of words as a young girl on her many family jaunts to local amusement parks like Disneyland and Knotts Berry Farm that nurtured her love of fantasy. One can easily see how her lifelong experiences have infused themselves in her fantasy, paranormal, and romance stories. With 45 successful novels and another line of novellas behind her and more on the way there is no sign that she plans to slow the tide at any time soon. She can pull you in with just about any genre and take your mind and soul on a journey of many dimensions. A 1 New York Times and 1 international bestselling author her stories have been sold in thirty-nine different countries she has sold millions of books throughout her career as a writer. From her first release Mised published in to her most recent Entwined With You Sylvia Day has garnered for herself an impressive following. You might say that she is a master at the series collections. Her Crossfire and Georgian series for example have been placed on the same level of other prolific writers like Danielle Steel and Jackie Collins. The Crossfire Series consists of 3 books that follow the emotional and romantic journey of lovers Gideon Cross and Eva Tramell. The trilogy details the many twists and turns and obstacles they have to overcome in building their relationship in spite of fighting off their own personal demons lurking in their own private worlds. The Georgian Series slowly reveals the story of star-crossed lovers through the veiled background of historical drama. Each story is set in a historical background in the 18th century where when secrets hidden for years come to life danger and intrigue lurk in the background. The Renegade Angel Series is a trilogy that infuses the paranormal with sexual intrigue. This is where you will see all sorts of paranormal angels, lycans, and vampires are all engaged in a struggle for power and supremacy while at the same time trying to satisfy the desire of their own primal sexuality. The Bad Boys and The Alluring Tales both engage the reader in an on and off again relationship with characters that appear in one story and reappear in a totally different story in another book. Each book stands alone as with its own distinct story line but with some of the same characters reemerging throughout. Even her collection of non-fiction openly brings out the forbidden nature of dangerous choices that women will go through to explore their own sexuality. Day or Livia Dare. Chapter 5 : Reflected in You (Crossfire Series #2) - free PDF, DJVU, EPUB, FB2

Sylvia Day Crossfire Series 4-Volume Boxed Set: Bared to You/Reflected in You/Entwined with You/Captivated By You Jan 27, by Sylvia Day. Paperback.

Bared to You was 4 on the Amazon. The Crossfire series has been acquired by Lionsgate Television Group for television adaptation. Bared to You Crossfire 1 He was beautiful and brilliant, jagged and white-hot. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easilyâ€¦ Gideon knew. He had demons of his own. Reflected in You Crossfire 2 Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. He was my addiction My past was as violent as his, and I was just as broken. It was too hard, too painful Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession I saw the dangerous and damaged soul insideâ€”so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. Entwined by our secrets, we tried to defy the odds. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. We faced a terrible choice: One with You Crossfire 5 Marrying him was a dream come true. Staying married to him is the fight of my life. Ours is both a refuge from the storm and the most violent of tempests. Two damaged souls entwined as one. We have bared our deepest, ugliest secrets to one another. Gideon is the mirror that reflects all my flaws He has given me everything. Now, I must prove I can be the rock, the shelter for him that he is for me. Together, we could stand against those who work so viciously to come between us. But our greatest battle may lie within the very vows that give us strength. Committing to love was only the beginning. Fighting for it will either set us free

Chapter 6 : Sylvia Day - Book Series In Order

Sylvia Day is the #1 New York Times and #1 international bestselling author of over 20 award-winning novels sold in more than 42 countries. She is a #1 bestselling author in 28 countries, with over 18 million copies sold.

Now, I know it has been compared to 50 Shades time and time again. I will admit that the basic idea of an overprotective rich businessman and his youngish girlfriend is similar. The Crossfire books are more focused on the romance between Eva and Gideon, albeit with an edge of erotica, but not BDSM, which to me was the overwhelming factor in 50 Shades. I felt like they could commiserate together and understood where each other was coming from having lived through their own tragedies and come out on the other side.

Bared to You Crossfire 1 by Sylvia Day: This was where all the magic and drama began. Gideon had laser-like focus on making Eva his and protecting her from the outside world. Without fully knowing what exactly happened to both of them in the past, it was clear that they had survived trauma that would haunt them the rest of their lives. There was a bit of a dark tone to the plot because of this, but Gideon, Eva, and her friends added humor and sometimes even playfulness to the scenes that lightened it up.

Reflected in You Crossfire 2 by Sylvia Day: They had admitted at this point that they were in love and it was all-encompassing. But jealousy and possessiveness started to creep in to their daily lives, leaving them unsure of how to proceed. For better or worse, he was my soulmate. The other half of me. In many ways, he was my reflection. Important people from their past brought conflict and tension into their already complex dynamic. Although book one was obviously filled with a variety of emotions, this installment had me feeling every possible emotion I could think of and then some. Especially with the ending.

Entwined with You Crossfire 3 by Sylvia Day: The passion, drama, and secrets continued as Gideon and Eva took a new step forward in their relationship. His idea of a way to fix their situation and keep a protective watch over her only seemed to create more complications. I thought we really got a true sense of not only the depth of how far Gideon was willing to go for Eva here which really started from book one, but we also saw how devoted she was to helping him through the trauma of his past. Can you understand that? If something ever happened to you it would kill me, too. Keeping you safe is goddamned self-preservation! I kissed him hard, my heart pounding and blood roaring in my ears. Captivated

by You Crossfire 4 by Sylvia Day: A highly volatile installment. Eva and Gideon began to prove to their family and friends just how serious they were as a couple and it was met with much criticism. He said the words so rarely. His mouth found mine. I was frustrated the most with Gideon this time as his attitude toward becoming emotionally healthy was less-than-stellar. There was still intense chemistry between them and some poignant scenes. But the twist and turns this time around made it that much more difficult for Eva and Gideon to finally "finally"! At this point, there are two more books planned for the series. So this was my honest take on the four books in the Crossfire Series. How romantic is that? I admired her spunk and tenacity. Sure she made some mistakes "they both did" and may have been a bit leery of Gideon at times, but I thought Eva was a solid heroine with a lot of depth. All I ask for is no bashing or negativity, please.

Chapter 7 : Bared to You by Sylvia Day | racedaydvl.com

No really, the only thing that made me come back each time for this series was the bond between Eva and Gideon made me really love them. And I needed to know what happens, needed to know if these two get their happy ending. Yeah, I get it they are broken and they feel that sex anchors them together, Day could have written it subtly and not as descriptive, that would have made things so much better and sweet. C And the dirty talk, hahahaha. It made me laugh more than anything. The timeline The whole book series span about in a timeline of 3 - 4 months. And so many things happens in those months which is just absurd. I mean if this was a trilogy at max, yeah I probably would have been considerate. Sylvia Day give your characters time to breathe. I think there should have been at least one time skip. Gideon and Eva have this soulmate connection. But the way Gideon finally does give in for the sake of Eva and they get back together, its sweet. Specially at the end of book four. That was a cute and heart melting moment. Relationship Growth Gideon and Eva both helped each other overcome many aspects of their lives. It was not the relationship growth only, but also the personal growth of each other. With Gideon finally talking about his abuse to Eva also finally finding ways to be more committed in her life, after her abuse led to her own destructive path down the road. But again, this really could have been developed further. They had potential to grow more. Sad to know sex sells so much that authors would rather not waste their time with anything else. This could have ended in a trilogy if we cut of all those unnecessary scenes. And it would have been a decent trilogy.
