## Chapter 1 : Printed Envelopes & Letterhead Printing | PrintGlobe

*Paper Daisies Stationery specializes in designing unique custom wedding invitations, save the dates, programs and any customized stationery the couple might need. Our passion is in providing each couple with a unique personalized experience in designing their wedding stationery.*

This service saves both time and cost. We also offer printing of escort and place cards. Click below to learn more and to download our excel templates. We offer satin ribbon, bakers twine, metallic twine and natural twine. To see our selection and tying suggestions, please click below. Ready-to-fold and tent items that may include programs, itineraries, thank you notes, escort and place cards, will be scored to give it a professional look. Ribbon and twine will come in pre-cut strips to make tying a breeze. If ribbon or twine are included with Your purchase of a ready-to-fold item, holes will be punched in the spine of the folded item and will be indicated on Your proof. Please inform Your designer if you plan to tie up the spine and do not want holes punched. Backing layers for matting invitations and envelope liners will come pre-cut. We recommend using either a gluestick or double-sided tape to assemble these items. While custom stamps are a fun option, they can almost double the cost of Your postage. We do not offer postage, but we recommend checking out [www.](http://www.) Submitting Photos If you choose to add a photo to the back of Your save the dates, we strongly suggest using a professional photo when possible as they will produce the best printed quality. The best quality photo reproduction will be achieved on our smooth finish paper options. We do not recommend adding a photo to our premium watercolor paper. Once stationery has been printed, all orders are final and no returns will be accepted. Please take adequate time to thoroughly proof Your stationery. Paper Daisies is not responsible for any mistakes that are approved by you. Purchasing Designs Paper Daisies Stationery does not sell any artwork for reproduction. We only sell printed stationery pieces. This ensures the integrity of our art. No commercial or resale use is permitted. Our images are not to be re-distributed, copied, or altered in any way.
