

Chapter 1 : A Dangerous Inheritance (Audiobook) by Alison Weir | racedaydvl.com

A Dangerous Inheritance starts out very engrossing, juxtaposing the life of Katherine Grey with that of Kate Plantagenet, her great-grandmother's cousin. By a strange coincidence, both Katherine and Kate married into the same family, although (spoiler?).

I wanted to include a mystery with a supernatural element. The Tower of London provided inspiration, as Katherine was imprisoned there. Her story called to mind that of the Princes in the Tower, who had probably been murdered there eighty years earlier on the orders of Richard III. Hence my two storylines—the entwined tales of these two tragic girls, each of whom have good reason to need to discover what really happened to the Princes. You will get caught up in the history of the story. Katherine Grey and her struggles with the two queens in her life is the more compelling of the two story lines. Every chapter switches back and forth between the two. That can be confusing with two characters who had the same first name. There is chapter with Elizabeth I, too. The connection between the two Kates, who live in different time periods, are the letters and a necklace. Each need to know what happened to the two princes. Katherine Grey is sister to the ill-fated Jane Grey, beheaded after nine days as queen. Katherine finds letters about the young princes that died in the tower under suspicious circumstances. The letters tie the two together. That was an exciting coincidence—a tangible link between my characters. She says that many of the sources she uses are in print or online now. The Tudors and Plantagenets have become popular subjects for books and on screen. Sometimes Weir looks at documents in the National Archives or local archive offices. The fate of the Princes was the subject of my book, *The Princes in the Tower*. She is always very supportive. She and my U. I do whatever is agreed, then Susanna may come back with further suggestions. The copy-edit is done in the U. To be published next year, it is her 20th book. Good Book Guide award for the best biography of , as voted for by readers in countries. Weir says she uses Facebook regularly and Twitter occasionally. She plans and leads historical tours www. But I do enjoy them. I love meeting fellow history enthusiasts. Her website is www. Ballantine Books October 2, , Language:

Chapter 2 : Dangerous Inheritance (Love Inspired Large Print Suspense) | eBay

'A Dangerous Inheritance' is a story with definite potential. Unfortunately, Weir uses it as a platform to once again state her case for Richard III as the murderer of the Princes in the Tower.

Chapter 3 : A Dangerous Inheritance by Alison Weir

The title of the book is A Dangerous Inheritance. Discuss the significance of this as it applies to each character's journey. Discuss the significance of this as it applies to each character's journey.

Chapter 4 : A Dangerous Inheritance by Alison Weir | racedaydvl.com

As a result of global warming, young Americans today are growing up in a different climate than their parents and grandparents experienced. It is warmer than it used to be.
