

Chapter 1 : In Conversation with Design Hotels | Dubai Design Week

Apr 15, À· Hotel Casa Bonay, in Barcelona's modernist Dreta de l'Eixample district, is a boutique hotel with a decidedly international spirit, combining modern design with original elements.

Our member properties transform the hotel from a place offering accommodations into one that creates platforms for shared experiences among people united by passions, ideas, and inspirations. And of course we bring together an engaged Community of followers who seek out travel inspirations and Original Experiences and find them in hotels that are new, established, transformative, and unexpected. Whether it is journeying into the unknown or finding beauty in your own backyard, we offer Original Experiences for those who dare to seek the unexpected and whose only limit is their own imagination. Disconnect from the virtual world and step into the real one. Join the Journey They shape the way we travel, they influence the way we do business, and they tantalize us with new and exciting hospitality trends. The local flavor that permeates each hotel forms the core of our long-term vision to provide unique hotel experiences for the design-savvy traveler of the 21st century. Whether owners or operators, designers or developers, our Originals are always outstanding personalities and extraordinary thinkers. They are the engines behind pioneering design and revolutionary hospitality. They shape the way we travel, they influence the way we do business, and they tantalize us with new and exciting hospitality trends. Original Experiences As time passes, what endures are your memories of the extraordinary, the unexpected moments that moved your soul or altered your mind. In recent years, the travel sector has witnessed a dramatic shift in consciousness. Beyond products and services, they want meaningful experiences. Ever shifting in flavor and form, these testing grounds of hospitably bring together ever-curious nomads to create and exchange. You will also meet the formidable designers and architects topping our annual Influencers List creative geniuses who are changing the face of architecture and design today. We strive to establish partnerships and create striking co-branded products that bring added value to our member hotels and that expose our partners to new markets. Our collaborations are conceived as smart travel solutions that generate unforgettable travel experiences. Thanks to state-of-the-art distribution technology we seamlessly connect each hotel with the most relevant distribution channels on a global scale, which is key for efficient revenue generation. By focusing our sales and marketing activities towards the end consumer and the travel trade we assure that all potential markets are covered. With the help of our in-house PR team we create awareness and exposure for both communities. More than hotels apply for membership each year, but only an average of 5 percent of them are approved. Of course, to find just the right hotels, we scrutinize many key areas: All these things are important, but they are by no means enough. After all, how can you anticipate something that has never before been imagined? How do you quantify creativity? The true measure of a hotel comes from walking through its front door.
