

Chapter 1 : Immigration by Library of Congress on Apple Books

Comment: A copy that has been read, but remains in clean condition. All pages are intact, and the cover is intact (including dust cover, if applicable). The spine may show signs of wear.

Since we are a nation of immigrants and, save for Native Americans, we all have roots elsewhere, this tension never relents. So we revere the grit of our Ellis Island ancestors. But we build fences 30 feet high on the Arizona border. Pei, and Madeline Albright for bringing them here. But in the first six months of , we deported 46, immigrant parents. Now two descendants of immigrants are running for president. Both say our immigration system is broken. Each has a different fix. Mitt Romney, who is English, Scottish, German, and French, and whose father was born in Mexico, is the great-great grandson of a carpenter from northern England. Miles Romney was among the first Mormons converted abroad and came here in For in order to thrive, our new country needed to people its frontiers “ and this required immigrants. Just crunch the numbers: Massachusetts and Arizona are roughly equal in population about 6. Schrag himself admits there are undeniable problems when a developed society like the United States borders an undeveloped one like Mexico. Get The Weekender in your inbox: Sign Up Thank you for signing up! In , a new law in effect barred Asians and Africans, and favored northern and western Europeans over southern and eastern ones. Ngai, a history professor at the University of Chicago, chronicles how immigration limits forced us into legal and illegal subsets, and turned our borders into hotbeds. And thus the third world came to America. By the s, four fifths of all legal immigrants arrived from either Asia or Latin America. This Latin American influx, of course, is the main issue in immigration today. She fell ill and was left to die by her guide and group. To tell her story and hundreds of others, all these desperados dying of exposure and dehydration in the desert, Regan hikes along with the Arizona Border Patrol and the faith-based migrant rescue group No More Deaths. Same goes for a modern classic by Ted Conover, a master of experiential journalism, who lived for a year with various hopefuls trying to get to America. Where does immigration stand today? But, remember, visas still go overwhelmingly only to the educated, the affluent, or those who have spouses or parents in America already. She can be reached at katharine.

Chapter 2 : How to Talk to Kids About Immigration | PJ Library

Immigration (Library in a Book) by John Powell. Publication date Topics Central government policies, Immigration & emigration, Juvenile Nonfiction.

A three volume eEncyclopedia that covers the full depth and breadth of American immigration historyâ€”from the arrival of the early ancestors of Native Americans to a broad range of twenty-first century immigration issues. Gale databases include articles previously published in journals, magazines, newspapers, books, and other media outlets.

Chapter 3 : 7 books on the subject of immigration - The Boston Globe

Buy a cheap copy of Immigration (Library in a Book) by John Powell. Covering immigration legislation and policies, controversies, major court opinions, and related documents, an invaluable volume offers students a balanced look at.

Reminding us that the history of immigration to the United States is also the history of emigration from somewhere else, Mr. Jones considers the forces that uprooted emigrants from their homes in different parts of the world and analyzes the social, economic, and psychological adjustments that American life demanded of them--adjustments essentially the same for the Jamestown settlers and for Vietnamese refugees. Maldwyn Allen Jones Maldwyn Allen Jones, historian of American History authored textbooks and history related books written for the masses rather than the classroom. Destination America serves well as a mass market book or as a supplemental book on immigration for the classroom. Highsmith and Ted Landphair A brand new, original book with stunning images by Carol Highsmith, photographer of the Photographic Tour and Pictorial Souvenir series, as well as fascinating black and white archival photographs, about the remarkable place that marked the first step to a new life for the hundreds of thousands of immigrants who came to America. Shapiro Illustrated with over photographs, many never before published, Gateway to Liberty details the history of two great American landmarks--the Statue of Liberty and Ellis Island. From the account of the massive task of raising funds for and constructing Liberty to the personal, sometimes heartbreaking, stories of the immigrants who entered the United States through Ellis Island, it is a stirring and informative look at one of the most important periods in American history--a wonderful book with which to commemorate the centenary of the Statue of Liberty and the rededication of Ellis Island and to enjoy for many years to come. Shriver I wish to acknowledge the inspiration and help I have received in the preparation of this book from my colleagues, the Rev. Hayden and the Rev. Towle, Immigration Fellows in resident study abroad, and from the Rev. Paul Fox and the Rev. All are young men who are devoting their lives to a ministry among our recent immigrant and industrial communities, a type of minister to whom the Church must increasingly look for guidance as it aims to make its service efficient under these newer and critical conditions. Russell Freedman These immigrant kids worked at all sorts of jobs. They sold newspapers, delivered goods, hauled firewood, and labored in sweatshops. Yet, they were still children. As often as they could, they took to their playground, the city streets. There they tagged after vendors, played baseball, fought rival gangs, and gained a taste for the wonderful freedom that their parents had come to America to find. All information regarding the state, as well as the statistics of each county, are absolutely authentic, and there has been no attempt made to say anything about any county in the state that close investigation will not substantiate. The crop statistics shown by counties are based upon averages taken by the United States Census Enumerators, for the crop season of , and may in some cases do an injustice to certain sections on account of climatic conditions prevailing in that particular year. This landmark essay, written while he was President, discusses the ideas ultimately put into practice with the Immigration Bill of , for which President Johnson gave him full credit. Martin Ulvestad This history, arranged by state and county, was compiled from , questionnaires sent by the author to Norwegian Americans. Detailed information on settlers is presented in order of their arrival, with names of spouses and children, times of migration, and many anecdotes. Other lists include Norwegians who served in the American military, Norwegian-American newspapers, schools and clergy. Steiner After , most newcomers were from southern and eastern Europe, especially Austria-Hungary, Italy, and Russia. Ann Novotny Haunting, moving, sometimes terrifying The full story in words and pictures -- of the courageous millions who migrated to America. Steiner In the first part of my book, I have tried to show the influences of the returned immigrant upon his peasant home and his social and national life. In the second part, I interpret the relation of various races to our institutions, their attitude towards them and their influence upon them. Mary Antin The difficulty with the first question is to get its existence recognized. In a matter that has such obvious material aspects as the immigration problem the abstract principles involved are likely to be overlooked. But as there can be no sound conclusions without a foundation in underlying principles, this discussion must begin by seeking an answer to the ethical question involved.
