Chapter 1 : Insight Guides: Thailand by Insight Guides

Be inspired by the new edition of Insight Guide Thailand, a comprehensive full-colour guide to the 'land of smiles'. Inside Insight Guide Thailand: A thoroughly updated new edition by our expert Thailand author.

He was especially intrigued by Bali, where he earned a living by selling his paintings of the Indonesian island to tourists. Where did their beliefs originate? How did their art develop? It would use strong visual images to communicate directly the atmosphere of the destination and the everyday life of its inhabitants. And it would encourage readers to celebrate the essence of the place rather than fashion it to suit their preconceptions. With the financial backing of a local hotel, he published Insight Guide: The book won a photography award and a gold medal from the American Society of Travel Agents. Hoefler meticulously produced other Insight Guides to Asian destinations, all illustrated with superb, full-colour photographs. The concept found its market in the s and by the early s Insight Guides to more than destinations all over the world were available in different languages. To meet the demand for the books and to maintain standards of production quality, Hoefler set up his own printing plant in Singapore, which had by then become his base. When Hoefler would meet people around the world, he was struck by the fact that even Insight Guide fans would still ask: Later, a full-size, fold-out map was added to give the books added practicality. Hoefler responded to public demand by adding a third series: These were portable, keenly priced mini-guides which could be carried easily and quickly consulted while on the road. The concept was adapted from a market-leading series in Germany. Realising that substantial resources would be needed to update, improve and expand, Hoefler sold his share in the company over a period of years to the Langenscheidt group, which embarked on an ambitious expansion program. Insight FlexiMaps, the first product in this new program, were an immediate success. This acclaimed series of guide books takes a thematic approach to travel in tune with the growth of special interest tourism, from birdwatching to scuba diving. Toon meer Toon minder Samenvatting This brand new edition Insight Guide to Thailand features a wealth of inspiring full-colour photography, including outstanding double page spreads. The top ten sights are identified to show you the very best of Thailand and to help you plan your trip priorities. Samut Prakan, or Canal Cruising in Bangkok, not to mention the top beaches and dive sites. An in-depth Places section covers the entire country, region by region, with all the principal sites cross-referenced by number to the accompanying full-colour maps. Additional maps inside the front and back covers enable instant orientation and easy navigation around Thailand; the first depicting the country as a whole and the latter detailing Bangkok, along with Skytrain and Metro routes highlighted. At the end of each regional section you can find useful restaurant listings, along with an indication of prices, suitable for all budgets. A comprehensive Travel Tips section details transport, accommodation for all budgets, eating out, activities, language and an A-Z of other practical information, including useful contact numbers, to ensure your trip goes smoothly. The unique combination of insightful exploration alongside practical advice means that this guide truly is a pleasure to read before, during and after your visit.
