

Chapter 1 : Into Exile by Joan Lingard () | Boomerang Books

Into Exile has ratings and 9 reviews. Frances said: Sadie and Kevin have moved to London to escape the Troubles. They find themselves treated as outs.

Kevin and Sadie used to be enemies but now at 17 and 18 years old, they meet again and end up falling in love at a time when no-one wants them to be together. This is a book series I originally read as a child and I wa Ryan Williams For anyone who wants to know what children of the s read during their schoolyears, and loved, this book would be high on that list. Someday, someone will calculat I love the troubled Belfast setting, the star crossed lovers and how real it all feels. Even after all these decades. Book one, sets the political scene and introduces the characters. Bar a few less deaths. I gave this book to my teen and she loves it as much as I did at her age. Sadi , Kevin and their families ignited my interest in Irish history, religion and language. I loved this book. Roxanne I had to read this book in year 9 in class and again reading in a group seriously did they not trust us reading by ourselves? Anyways i just remember being given this book as everyone else was reading Romeo and Juliet but our teacher must have been sick of that so we got given this book. I remember being totally bored to tears with this book and constantly wondering why we were been made to read it, and i thought the pace was slow and nothing r Stok I quite liked it! D Mica Read for school. Review will come later Isabella Whilst I liked the idea of this, the writing itself felt a bit simplistic and I found it hard to identify with the characters. It was very quick and easy though, and definitely very informative for learning about the troubles. Chrisoula Panagoulia A lovely read. En aucun cas, je ne lirai le premier. Chrisoula Panagoulia A sweet, lovely and fast - paced book which shows us there are no boundaries regarding true love. Diana Man oh man. I love Kevin and Sadie. Elegale see review for first book Ema I love the ending. My We got to read this in our English class and I really enjoyed it. Phoebe The story of Sadie and Kevin was a very sweet and honest one. The troubles they, their families, their streets, and subsequently their city Belfast was facing were depicted very believable, honest, and without drawing conclusions or putting blame on anybody. It is a book depicting everyday life in Northern Ireland back in the days when Protestants and Catholics were regularly fighting each other. It is about the everyday life of folk, who just w Klaudia Inspiring story about two individuals who given all the odds still made the impossible - possible Kevin It has been thirty years since I read these series of books first time around. Lately I have had nostalgic feelings for books I read as a teenager. I remembered enjoyed the Kevin and Sadie series so decided to re-read again to see whether I have just viewing these books through rose-tinted glasses after all these years. Although these books are very much of their time, I feel many of the issues would still resonate today, forming relationships wi Abbie Norris I really liked this book, it was really nice to read. It wasnt full on and was just abiouit right for my reading skills. It told me alot about Ireland and how people had to sneak out to see there friends that were different religions. The pepole must had found it vrey hard to understand what to do and how to cope with all the killing and fighting. Many people lost there lives when they were fighting for there Faith. I liked this book alot as it was It has some very twee moments, but also some very sad ones such as the deaths of people who try to ignore the religions and help whoever they felt needed to be helped. It highlighted well the religious and social cultures of different groups ma Hevarrrr Morgan Well at the start i thought the book was REALLY boring but then i seemed to get into it quite alot because it became more exciting soo i enjoyed it more. But they thought that if another family in there vuillage could do it so caould they so this made me want to read more and mor Luke Across the barricades is a good example of a novel that you can learn from with love,emotion,compotition,action and some brain teasers. Sam I first read this in school but recently re-read it and thoroughly enjoyed it. Very much a modern Northern Irish twist on the traditional Romeo and Juliet story, the book is aimed at young adults but can be enjoyed by readers of any age. The characters are well written I really helped me understand what it was like in Ireland at that time to have a friend that was a different religion to you. It must have been very hard knowing that you could be killed, just for being with your best friend of a different religion. I liked this book because it was a romance and because most of the main charachters had d But seeing the brief blurb about this has brought it all back from many years ago. I read it so

DOWNLOAD PDF KEVIN AND SAIDE INTO EXILE

long ago I can no longer most of the plot, but I am Debumere I read this when I was 11 for English class, and decided to give it another go 19 years later after somebody mentioned it recently. It was quite good, and definitely a better read now than it was at My English teacher, was English, and all my classmates were English so whenever a Northern Irish student started in his class he liked to use this as reading material, I think in the vain hope that we could really related to the characters.
