Chapter 1 : Film Theory and Criticism: Introductory Readings ()

Since publication of the first edition in , Leo Braudy and Marshall Cohen's Film Theory and Criticism has been the most widely used and cited anthology of critical writings about film.

Background[edit] Braudy was born in Philadelphia , PA. He is married to the painter Dorothy McGahee Braudy. They live and work in Los Angeles. War and the Changing Nature of Masculinity Knopf, His most recent book is Haunted: On ghosts, witches, vampires, zombies and other monsters of the natural and supernatural worlds Yale University Press, Each of these works address changing cultural and historical definitions of what otherwise seem to be innate and unchanging emotions and attitudes—the desire for fame, the concept of masculinity, the shape of fear. It traces the intertwined history of Hollywood and the Sign from the founding of the city as a prohibitionist enclave in the s through the beginnings of the movies, the construction of the Sign in the s as a real estate advertisement, and the mixed fortunes of both the Sign and the film business down to the present. In a departure from his scholarly work, Braudy published in a memoir of his life as a teenager entitled Trying to be Cool: Growing Up in the s. In , he received the honorary degree of Doctor of Humane Letters from Swarthmore College and was inducted into the Hall of Fame of Central High School of Philadelphia , the second oldest continuously public high school in the United States founded Film and television appearances[edit] Braudy frequently appears as a commentator on popular culture, cultural history, and films on a variety of television shows, including Crossfire , World of Wonder, The Maria Shriver Show, and The South Bank Show. Other film appearances include: Mayor of the Sunset Strip —Braudy comments as an authority on fame in this documentary about the rise and fall of disc jockey Rodney Bingenheimer.
