Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required.

Talking bilingual dictionary expandable to include over 50 language combinations Language pair: Exhaustive Translating Dictionary that pronounces English, French, German, Greek, Italian, Polish, Portuguese, Romanian, Russian, Spanish words using state-of-the-art Speech Synthesis Hands free, voice navigation and hi-res touch screen for easy access to information Responsive virtual keyboard for each of the included languages Extended functionality and responsiveness powered by Windows CE Outstanding Mp3 player for your media files to keep you entertained on the road Enjoyable language learning games so you can learn while you play - anywhere! Plus much, much more! Innovation Award from the Consumer Electronics Association Loaded with a full range of the most useful communication tools. By simply speaking into the iTRAVL, you can have your phrases instantly translated and spoken aloud using a sophisticated combination of speech recognition modules, real human voice narration and speech synthesis. Helping you to enjoy sightseeing more, meet new friends and deal with emergencies, it is loaded with a full range of the most advanced language management tools ever combined and includes iHELP which lets you immediately access a list of emergency or most frequently used phrases instantly. Thanks to its remarkable Speech Recognition modules all you have to do is pronounce a voice tag and iTRAVL will speak the phrase immediately. A real life saver! Detailed maps with destination advice and addresses will help you find your way around in no time. Need a more hands on approach? Now asking for directions has never been easier. The combination of a fully translating Dictionary, PhraseBook and Travel Guide offers a compact and easy to use resource that fits in the palm of your hand. Equipped with the CIA World Factbook, detailed information on every nation in the world is now just a click away. No more books or papers! Now you can leave it all at home, greatly reducing the time and energy necessary to access the information you depend on most while traveling. Before and after your trip you can also use the built-in speech enabled Language Teacher and language-learning games to improve your speech and accent. You can even use iTRAVL to communicate with your non-English speaking housekeeper or construction workers, to impress your visiting business partners with your knowledge of their language or to show your friends and family how much you know. Speaking another language has never been easier or more fun! The Best of the Best! A responsive virtual keyboard for each of the included languages makes entering text quick and easy. A robust MP3 player lets you enjoy all your favorite media files and AudioBooks. With the inclusion of a convenient metric converter and a talking calculator, you can now verify exchange rates and have them pronounced instantly. In addition, a world clock is now accessible so you can check the time in any time zone just by clicking the location on a virtual map. AC adapter, rechargeable battery and two LCD protecting films are included in the standard package.
