Archive CD Books Poll books for various towns and counties. See web site for county coverage and source material Others produced at a local level.

Chapter 2 : Poll Books - Parish Chest

Going back to the s, poll books list the names and parishes of the voters, often noting their occupations and voting qualifications, with their choice of candidate. Genealogists find these poll books indispensable because they identify individuals by parish, thus pointing the way to the location of other invaluable records.

Chapter 3 : New Market poll books, - James Madison University Libraries

Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.
