Spectrum Test Practice Spectrum Test Prep is a grade-specific resource that uses strategy-based activities to prepare middle-grade students for assessment in ELA and math. It encourages critical thinking, improves reasoning skills, and offers test-taking tips for success. Spectrum Test Practice offers an authentic assessment experience with comprehensive practice tests for ELA and math. It includes directions, examples, questions, and an answer sheet that follows the same format as the standardized test. Spectrum Test Prep is the Spectrum Test Prep series for grades 1 to 8 was developed by experts in education and was created to help students improve and strengthen their test-taking skills. Spectrum Test Preps include strategy-based activities for language arts and math, test tips to help answer questions, and critical thinking and reasoning. The activities in each book not only feature essential practice in reading, math, and language arts test areas, but also prepare students to take standardized tests. Students learn how to follow directions, understand different test formats, use effective strategies to avoid common mistakes, and budget their time wisely. Step-by-step solutions in the answer key are included. These comprehensive workbooks are an excellent resource for developing skills for assessment success. They are sent via First Class or Media Mail. Items ship within business days. If these items are ordered with a test and the requested ship date is within the next 7 days, they will be mailed with the test. For special arrangements, please contact our office. Washington state customers will also be charged Sales Tax on their orders. Please note that additional shipping charges will apply for international orders. Please contact us for more information. These workbooks are not aligned to any specific test. Spectrum Test Practice offers an authentic assessment experience with comprehensive practice tests for ELA and math. Ease test-taking stress with a workbook that offers authentic assessment practice and a digital component that appeals to twenty-first century learners. The Spectrum Test Practice for grades 1- 8 prepares kids for math and language arts success by simulating the test experience and applying blended learning-an effective strategy that uses technology to help kids master essential concepts. Aligned to current state standards, this workbook gets kids ready using practice tests, online exercises, tips, examples, and answer sheets similar to real math and language arts assessments. Spectrum Test Practice provides everything kids need to take on testing-including online practice pages. They are designed to acquaint students with the concepts covered in these subject areas on most standardized achievement tests. Each workbook contains about 40 pages which includes an answer key. The booklets were written by a former homeschooling mother in response to the lack of Test Preparation materials available for grades 9 - Test Prep - Grade 9.
