Then find your way to Smoking Section in Miramar! Got Racks on racks on racks. I brought a first timer in for a heavy and he treated my friend right. Helped him select a quality durable piece in his price range explained the pros and cons of each. I was very pleased by the amount of inventory inside this shop! The employee was extremely helpful and patient with me and was able to help me find exactly what I was looking for! Although there are many other smoke shops closer to my house the drive to Smoking Section is well worth it! The selection and prices were great and the present staff was very helpful. This place truly understands the meaning of customer service. The employees are always so nice and welcoming every time I come in. They answer every question I have without hesitation. Needless to say, their products are always great!! Mason was great and helped me pick out exactly what I was looking for. They have fair prices and a great selection all in a very clean, nice and organized shop! Helped me out with everything I needed. Came in looking for a bubbler and he helped me out with exactly what I was looking for. Clean shop loved everything about this place! Will definitely be back for all my smoking needs! Excellent selection and helpful staff. Knowledgeable and friendly I was in and out a lot faster than I thought it would be. Will definitely be coming back to buy out d Chris O. All the 5 stars are justified. Both just top notch. The owner Mike took his time with me and gave me a great deal on a new rig. Glad that I gave this shop a chance. I will be back very shortly today, actually.
