

Chapter 1 : Tomboys and Bachelor Girls: A Lesbian History of Post-War Britain by Rebecca Jennings

Using a rich array of oral histories and archival sources, Tomboys and bachelor girls provides the first detailed academic study of lesbian identity and culture in post-war Britain. Described by psychiatrists as immature and neurotic, and widely ignored as taboo by mainstream society, lesbians.

Tough girls have a self-confident attitude, sometimes a bit of a rebellious streak. Often categorized as spunky or feisty. You can expect her to hold her own in the thick of the action at least as well as her male counterparts. Further she has her own drives and skills beyond just being the feminine touch or supportive center of her team. Compare Lady of War for professional graceful femininity, and Girly Bruiser for stereotypical pink and childish femininity. An increasingly common trope in Western Animation, particularly in films. In the end she helps Domon express his feelings to Rain however. Tough, both physically and mentally, the ultimate realist, and wears a tomboyish outfit in her non-magical girl attire. Tengen Toppa Gurren Lagann. Yoko Littner is the spunky gun toting Ms. Film "€" Animated Big Hero 6. Gogo is a tomboyish mechanical engineer, that skates into battle using discs. Almost invoking this trope, her catch phrase is "Woman Up. The Book Of Life. She starts off as One of the Boys before being sent off to boarding school to learn how to be a Proper Lady. Merida of Brave is a rebellious, spirited Tomboy Princess who would rather climb up cliffs and play with her weapons than worry about etiquette, dresses or marrying a prince, and is better at archery than any of the men, in contrast with her Proper Lady mother who tries to groom her into queen material. Both of them reach a compromise by the end, showing their Character Development. Also the relative Tomboy to Princess Uni-Kitty. Calhoun is a jaded and fierce warrior who leads the rescue operation, and Vanellope is a snarky spunky imp who drives the racing subplot. Calhoun also hits the UST points for Felix. She likes to eat onions and kill Persians, and she is clearly enjoying herself as she fires arrows from the battlements of Babylon. She angrily refuses to be sold off into marriage in the town square, and she has no interest in the romantic attentions of the Rhapsode. Princess Leia seemed to be a simple Damsel in Distress when first introduced in A New Hope, but may in fact be the Trope Codifier, picking up a gun and taking charge of her rescue immediately after leaving her cell. Guardians of the Galaxy. Accepting that she can be feminine and a knight is a major part of her Character Development, and a later point of contention with one of her Love Interests. Video Games Tomb Raider. Midna of Twilight Princess is another snarky fairy companion in the vein of Tatl but even more so. After getting the fused Shadows back, has access to a beast form that she uses sparingly as she fears its power. Most of the plot revolves around her arc of trying to win back the Twili by confronting Zant and finally Ganondorf, where Link was more or less her bodyguard by the end. Katara starts as a straight version of The Chick but somewhere in the transition from season 1 to season 2, she becomes a tough girl, demanding respect from her sister tribesman and becoming a master waterbender with only weeks of training. From then on, she was a core and necessary part of the action. Also the Tomboy to Hera as the traditional Chick. Tough Girl The strong, confident, active girl who subverts traditional gender roles Alt Titles: Compare LadyOfWar for professional graceful femininity, and GirlyBruiser for stereotypical pink and childish femininity.
