Hymns have been and continue to be a real source of inspiration to me. My desire in this blog is to share special hymns with my readers hoping that the words will minister to them, especially in times of great personal need. If one of these hymns ministers to you, please take time to leave a comment so that I know that my blog is helping others as much as it helps me. Sometimes I will also provide a link where you can go to hear the hymn played. So, please join me here each week and sing along as we praise God together. You may recall that I shared the story of his conversion, through the ministry of Billy Graham, in a blog on August 28. That blog had to do with his song "It Is No Secret". Perhaps it was the Old Testament story of when the Israelites were taken into captivity in Babylon. In Jeremiah 29 the Lord gave them some instructions on how to live while they are in exile. He told them to marry, have children, build houses, plant crops, etc. He gave them instructions to live normal lives and do normal things. God also told them the captivity was going to last 70 years. But He gave them commands to live a certain way "until" He would return them to the Promised Land. In this same passage of Scripture, while the people are living in exile, the Lord says to them "I know the plans I have for you. Plans to prosper you and not to harm you. Plans to give you a hope and a future. Here we are faced with toils and struggles. But we are to keep going on and sharing the good news to those around us. We are called to be his ministers in this foreign land. We are to carry on with singing and joy in our hearts until that day when He calls us home. So how are you doing today in this "foreign land"? Remember, this is not your final home. You are just "tenting" here, until then. Someday, hopefully soon, our eyes will behold that beautiful city which will be our permanent home for all eternity. What an unspeakable joy that will be.

We all need to be reminded that we should be very thankful for our freedoms. Many lives were sacrificed, and many lives were damaged beyond repair with permanent scars. I pray these arrangements will touch hearts, as they are sang and played. This volume came during the toughest time of my life. On June 2, , my Dad went to heaven. It was a joyful graduation for him, but I miss him terribly. He was a godly man with a soft and tender heart, yet a strong man, whose life touched so many people and is continuing to do so. Since he also had a love for music and was a song leader in church for many years, he would be pleased to know this volume is in honor of him. Enjoy playing and singing these songs. HE paid for us to be free from sin by His death on the cross. And remember 2 Chronicles 7: It has been even more than I expected. Once a student has a grasp of the basic fundamentals of music most can begin playing many of these songs in their beginning year. This brings me such great satisfaction and is very rewarding. Jason and Monica were married in , and they give GOD all the glory for any accomplishments in their lives. Contact Monica with questions about the books or to order hard copies. I practice it even more than my Lesson book! Some of them make me think of my childhood days, when we used to sing them. May I play another one?
