The entire contents of the book, however, are included within the Fantasy Grounds application under the Reference Manual in your Fantasy Grounds Library. Scott R January 01, 6: Doug D January 01, 6: It is one of our top sellers on our website and on Steam and has received great reviews on our forums. You should be able to get a sense for the product by reviewing the Publisher Preview. Damian F April 01, William H December 18, 7: Doug D December 18, 7: Please contact customer support and they should get you all squared away. Great work on that customer support. I am unaware of them denying anyone a refund for a similar issue. It is the weekend though and most RPG companies are small operations. Was there something in the description of the product or the title that is misleading? If so, we can work to correct that. Doug D December 18, 8: We try to listen and respond to all feedback. Blair A December 17, 9: Doug D December 17, DTRPG will get you squared away with the refund. The description was accurate, but we uploaded a PDF for a preview and I think that was the cause of the confusion, because the default file type for the preview was set as PDF. Evan C December 13, 8: Doug D December 13, 9: The screenshots are actual renditions of what the product looks like within the program. Fantasy Grounds is a popular tool for managing and running your campaign locally or fully online. December 05, While it contains all of the contents of the book, it is delivered in a format different from a PDF. You are welcome to try it out fully and ask questions on the forums to help get started. If you are at all unsatisfied, please request a refund for this product from DMsGuild. Please check out the video in the product description here for a walk-through of the product. For the base application, there are also a number of videos available on the website under the wiki or on YouTube if you search for Fantasy Grounds.
