Dan Corner The Parable of the Wheat and Tares Explained Clear proof that multitudes in our day have been religiously brainwashed and deceived is revealed by how people commonly misunderstand the parable of the wheat and tares KJV or wheat and weeds in modern translations. Because that Biblical fact severely clashes with the teaching of eternal security, few have been taught such. See the picture of tares and wheat to the left. Therefore, to them, the wheat and the tares look identical. They are glaringly wrong. Even other scriptures teach the same precious truth as the wheat and tares: This is how we know who the children of God are and who the children of the devil are: Anyone who does not do what is right is not a child of God; nor is anyone who does not love his brother. The man who says, "I know him," but does not do what he commands is a liar, and the truth is not in him. Calvinism teaches that election is secret and some have been given only an evanescent grace or counterfeit grace by God! The Southern Baptists, like Charles Stanley, would say the carnal Christian acts just like the lost man adultery, drunkenness, theft, murder, etc. Hence, the parable of the wheat and tares in Mt. The kingdom of heaven is like a man who sowed good seed in his field. But while everyone was sleeping, his enemy came and sowed weeds among the wheat, and went away. When the wheat sprouted and formed heads, then the weeds also appeared. Where then did the weeds come from? The servants asked him, "Do you want us to go and pull them up? Let both grow together until the harvest. At that time I will tell the harvesters: First collect the weeds and tie them in bundles to be burned; then gather the wheat and bring it into my barn" Matt. In other words, they could distinguish the bible wheat and tares from each other or the children of the devil from the children of God. To argue the wheat and tares could not be distinguished is clearly refuted by verse Hence, the wheat and tare grow together. He merely told them not to pull them up and stated, because while you are pulling the tares, you may root up the wheat with them. All a person has to do is examine the context and compare Scripture to Scripture to learn that this teaching has been grossly misused and multitudes are currently deceived. In the end, only the weeds will be pulled up and thrown into the fire: So, what is a tare? A tare is a lost person. Differences Between Wheat and Tares His disciples came to him and said, "Explain to us the parable of the weeds in the field. The field is the world, and the good seed stands for the sons of the kingdom. The weeds are the sons of the evil one, and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels. As the weeds are pulled up and burned in the fire, so it will be at the end of the age. The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the fiery furnace, where there will be weeping and gnashing of teeth. Then the righteous will shine like the sun in the kingdom of their Father. He who has ears, let him hear" Matt. This is taught all through the Scriptures 1 John 3: Furthermore, Jesus taught the field is the world Mt. Calvinism wrongly teaches the field is the church! Eternal Security Refuted for much more related information and learn how to refute the grace changers, who want us to dangerously think when King David sinned with adultery and murder he remained saved. His open rebuke to them, and the message to the crowds about them, supplement further the wheat and tares, even specifically identifying those Pharisees and teachers of the law as tares: Then the disciples came to him and asked, "Do you know that the Pharisees were offended when they heard this? Leave them; they are blind guides. If a blind man leads a blind man, both will fall into a pit. The angels are responsible for separating wheat from tares which implies they can distinguish also the tares and wheat plants. The parable of the wheat and tares is very important to properly understand. Without question, one can tell the saved man wheat from a lost man tare!
