As Ugly As I Seem Red Rain the longest tab on brokenbricks. Up And Running - April 18, Please excuse the recent server downtime. I have contacted my hosting company and am awaiting an explanation. I have received many more requests, and will work on them as soon as I can. It is now a one-hour specialty show in an earlier time slot. If you would like to hear the show, you can download the archive. The archive program is still adjusting to new show times, so the first few minutes may consist of the previous show. I am not sure if tabbing the entire show would be more redundant than productive, so in the meantime I have been tabbing by request. I had almost forgotten about those If you are interested in old American music, you may like to hear the archive of the show. More tabs coming soon! Time Off - June 25, I am leaving the country for a month, and I will not be updating the site until I return. I will respond to email and continue tabbing then. New Server - May 27, I am moving the site to a new server this week. I hope to avoid downtime, but there may be a few issues to work out. Many thanks to all who contributed. The White Stripes performed the number on various occasions in In other news, servers experienced some significant downtime last week. Please resend any bounced emails. Brokenbricks Yahoo Group - March 19, I am hoping to restart our weekly meetings in the Brokenbricks chat to play music, but I want to determine what time is best for us. If you are hoping to attend, please let me know what time is best for you. If you are not a member, you can join by creating a Yahoo account and visiting <http://> Page Added - February 24, I created a guide to open tunings for reference. Site Back Up - December 16, And just in time for the holiday season. In case the site goes down again, the tab archive can always be found at groups. Site Maintenance - November 4, I made a few useful alterations to the site: The Print and Save functions above each tab now exclude all text except the tab itself. The tab archive has been updated to include recent tabs. I uploaded the tab archive to the Yahoo group website to make it available during possible server outages. You can find it on the Files page. If you run into any problems as a result of these changes, please let me know. Tab Completed - November 2, I had originally planned to postpone Upholsterers tabs until the White Stripes material was complete, but there seems to be a demand for it. Pain Gimme Sympathy is finished. Thanks to Devin for the correction to the intro of Lafayette Blues. I am still in the midst of recording, but I will continue to tab in my free time. If you have sent me an email and have not received a response, please send me a second message saying so preferably from a second account , with a copy of the original message. I may have to begin posting replies on the website if these email headaches persist. Feel free to come by and share your music or just listen in. If you have sent me email that has not been replied to, please resend it from another account. Lafayette Blues, More Email Trouble - September 2, I have been caught up lately in the recording of a makeshift album with friends of mine. Lafayette Blues is up, for better or for worse, and I am planning to resume our weekly meetings starting next week. I understand a few of you may have "peeked at your Christmas present," as Mr. White might say, but that is to be expected. On another note, due to a universal internet dispute regarding spam email, some of my emails responses have been bouncing back. Please do not be offended if my replies are taking longer than usual. Thank you all for your patience while I was gone. To members of the Brokenbricks group , be sure your current email address is filled in under "Alternate Email 1" in your account preferences to receive group news and events. Guide to Open Tunings 2. All is well now, and I will be getting on with the tabs I am still checking the page for quirks, so let me know if you have any trouble. It is possible that, for a short period of time, the server was not receiving email. If you have written to me within the past week and have not received a reply, please send your letter again. Once again, my apologies. The following tabs are in progress and should be completed within the next few weeks: Cellophane" - From the musical "Chicago," performed live on recent tours. Tab Completed, Reluctantly - June 26, After months of research and close listening, my attempts to decipher the lyrics of "Jack The Ripper" performed live as part of "Astro" have been ultimately unsuccessful. I am breaking a rule of this site by presenting an incomplete work, but I have been talked into it. Jack The Ripper ,

everybody. Brokenbricks Gathering - May 26, As usual, I will be in the brokenbricks chatroom this Thursday at 4: If you are not yet a member and would like to be, sign up here! Tab Completed - May 23, Lovesick live at the Forum is complete. I will be answering tab-related questions, playing some guitar and hopefully learning something myself. In other news, I wrote a script that searches through tabs based on their lyrics. I hope it proves itself useful. Speaking of which, perhaps "very close to completion" was too strong a description of the state of "Ball And Biscuit. Update - May 4, "Ball And Biscuit" is very close to completion, along with the three remaining Elephant tabs. I created a Yahoo group called broken bricks for use as a meeting place to discuss the playing of White Stripes songs though not an open forum. The chat room has some interesting software that allows members to speak quite clearly to each other using microphones, so perhaps I will set up a weekly tutorial including some live performances by various members. Anyone is free to join. Also added to Elephant: I also made a second edit on Seven Nation Army. Tabs Completed - April 26, The following tabs from the album Elephant were completed: Time to start working on Elephant Site In Progress - February 12, Site is being designed and tabs are being made.
